

SOCIAL AND PUBLIC BENEFIT MISSION TOP spol. n.o.

Board of Directors of TOP spol. n.o. decided to help the Slovak Republic and the EU to meet the ambitious goals of the EU Europe 2020 Strategy. TOP spol. n.o. wants to contribute to the fulfillment of the strategy by incorporating its following goals in its activities.

„**The quot employment rate**“ of the population aged 20-64 should increase from the current 69% to at least 75%, including greater involvement of women, older workers and better integration of migrants into the labor force (SR target: 72%).

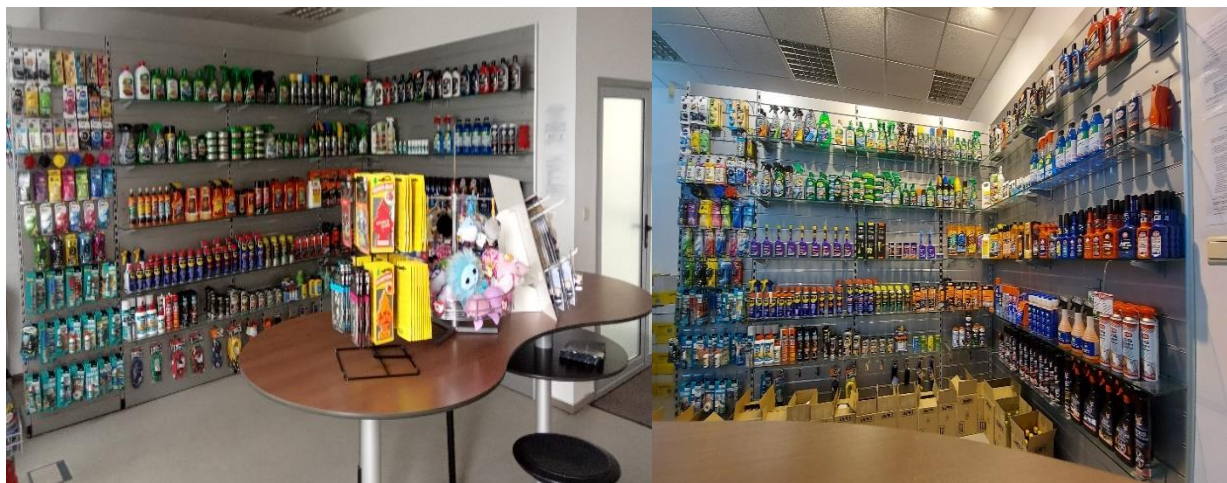

„**Social inclusion**“ Remove at least 20 million EU citizens from the risk of poverty and social exclusion (the proportion of Europeans living below the country,s poverty line should be reduced by 25%, bringing more than 20 million people above the poverty line), as measured by a combination of material poverty indicators deprivation of a low-intensity household (target of the Slovak Republic: 170,000 people).

„**Youth on the Move**“ to improve the performance of education systems and facilitate the entry of young people into the labor market (Commission Communication COM (2010) 478 of 15.9.2010).

„**Agenda for new skills and jobs**“ to modernize labor markets and empower people by supporting their lifelong skills development in order to increase labor market participation and better match labor market supply with demand, including job mobility (Commission Communication COM (2010) 682 of 23.11.2010).

„**The European Platform Against Poverty**“ to ensure social and territorial cohesion, so that everyone can benefit from growth and employment and people living in poverty and social exclusion have the opportunity to live in dignity and to take an active part in society (Commission Communication COM (2010) 758 of 15 December 2006). 2010).

Internet sales support

By simply reading the QR code via mobile phone and using an internet application, our customer anywhere in Europe can connect live with our sales support staff and get all the information they need. The sales support center has a barrier-free entrance, which allows us to employ disadvantaged candidates in the labor market.

Liabilities TOP spol. n.o.: we will create two jobs for disadvantaged bidders in our online sales support center.

Deadline: by the end of 2023

Distribution center

The center offers warehouse services, specialized registration services, marketing services, testing and testing of new products. The Slovak Republic is an ideal place for testing new products and services, testing product innovations, product and market tests, product launch. Testing has an irreplaceable role in the development of industrial products. Testing is one of the main development activities and the estimated share of testing costs is in the range of 8-12%. Because we offer specialized services in our center, we can create jobs with higher added value for disadvantaged job seekers.

Commitment TOP spol. n.o.: we will create one job for a disadvantaged candidate in our distribution center.

Deadline: by the end of 2023

Social Services Center

The founders of TOP spol. n.o. plan to buy and reconstruct the new center in the town of Gbely on Naftárska Street No. 1413 with an area of 3,100 m², which they plan to purchase or lease for a long time for this purpose. They are currently in negotiations with the current owner. The center will house premises for the production of ecological cleaning products, e-shop warehouses, a shop selling our products and products of non-profit organizations and social enterprises.

Commitment TOP spol. n.o.: by purchasing our goods, you will support the operation of the center, because the founders decided to use 100% of the proceeds for this purpose.

Deadline: by the end of 2023

The social services center will also house a community center for dedicated and marginalized communities.

Commitment TOP spol. n.o.: working with us will support the functioning of the community center, and the creation of one job for a disadvantaged candidate in the labor market.
